“ *My Aunt Carol... what an incredible woman! She has been a large part of my life since the day I was born! She took care of me during tough times. She was always there for me with love and laughter! Quilts, wheaties, smocked garters and springerles were just a few of her many gifts to my entire family! Family reunions every year made our memories even more delightful. I will miss her so very much! Life just won't be the same without her! Love, Sherry and her entire family!* 💜🕊
