“ Grandma, I am going to miss you so much and I already do. You always would go out of your way to make me happy, and I thank you for that. The best thing is that you're in heaven with God looking down on us. I love you, Grandma.

“ Grandma, I love you with all my heart! I miss you so much! I know you will look over all of us and my hope is that we can make you happy and smile with our actions. You are no longer in pain and that is the best thing ever, you left us too early and I wish we could have spent more time together, I love you so much and we all will keep Grandpa Kent out of trouble for you. I hope you have a great time sitting with Jesus as his best angel.

“ Carolyn, my buddy and pal. I'm smiling thinking of how much fun we had "texting"!! Not to mention our shopping trips and our girl talk. You are bringing a great void into our Friday night group!! All of us are going to miss you so much. You let's others know how much you loved the Lord and even though I am sad, I am so happy for you. As Jean said, our loss is God's gain.
