He was the best Popsicle ever! I will treasure the time I had with him and I know my mama and cousin (Brooke not pictured, sadly.) feel the same! Until we see each other again...I love you, Pop!!

Uncle Doc, I'll miss your smiling face and jolly laughter. I can't imagine you ever meeting a stranger. I always enjoyed the family functions when all the Roddenberry brothers and sisters were together; y'all could keep us laughing with all the stories that were shared. You are so missed but I know we will all be together again one day.
