“ *I am so sorry to hear about Uncle Charles and Aunt Maxine. I know they are at peace and will be missed by many friends and family. I loved them both. Don't you know there's a happy party going on in heaven*

“ *I had a little girl crush on Mr Bussell. I was so impressed he was a real fireman like on Emergency. He always greeted me cheerfully saying: Susie! When our families visited Yellowstone one July, I remember hearing him chuckling early one morning outside our camper. He always woke up before anyone else. And, on this July morning, we awakened to snow! He was thrilled! He was such a dear man.*
