“ Uncle Charles, you will never be in pain anymore. Your in the pearly gates of heaven, with the rest of the Metcalf family we lost. I know you're looking down on us. I can remember all the summer's! stayed with you'll. I can't get of my mine, as you were taken an nap in that picture posted, me and Aunt Eunice was laughing our butts off, cause you teeth were falling out of your mouth. Most of all will miss you in my heart forever.

“ I remember Mr Charles as a Giant of a man. The first time I met him was when I went to spend the night with Jennie. I thought wow your dad could stomp the life out of any boy messing with you. Through out the weekend he made jokes and picked at me. His big smile put me at ease and I saw one of the most loving Father and Husband any family could ask for. To all of the family i am at a loss for words. I wish I could do or say something to ease your pain. Truth is he truly is in a better place and god knows your sacrifice and for that you have the most wonderful gift awaiting you in Heaven. Love and respect you all.
