“ *Richard was my high school sweetheart! We spent 3 wonderful years together and I loved him very much. He was always good to me and we had an absolute blast together...always. I have so many great memories of him and spending time with his family. I truly felt like I was a part of them. I can't believe he is gone from this earth but I will always hold on to our special times together. They were some the happiest times of my life. Many prayers to Mrs. Phyllis, Lee and daughter Caroline.

Phyllis...I am so sorry to learn of Richards death. I still think about him as the little boy he was when we all lived in W.Palm Beach... I can't imagine what you are going through.

Phillis and Lee,

I am so sorry to hear about Richard's passing! I really don't know what to say but a great friend shared this with me many years ago after a friend's passing and it has stuck with me.

When someone close to your heart passes away, it's hard not to think of it as a loss. Try and think of them as an angel watching over you from heaven above, giving you the love, strength and the will to carry on. I will miss my Cuz!

*Love,
Jenny*

“ *To My Sweet, Precious, Caroline, We may never know why he had to go so soon, but we do know that you were the very light that shined into every place of his heart. He loved you the most, and I pray that love will carry you, console you, remind you to live big, love hard and reach for all of your dreams, continue to make him proud, as you always did. The Lord has plans we don't always see and I know He has big plans for you. You've carried many heavy loads in your young life, and I believe, though it has been tough at times, it is preparing you for the wonderful things your future holds. I love you so much baby girl. Remember, The Hoffman's will always call you family. If you need us, just call and we will be there no matter the time, day or distance.*

Psalms 147:3 – He heals the broken heartened, binding up their wounds.

*Always,

This has been a very sad and perplexing weekend as we found out we will be saying goodbye to a great friend of many years. Although we rarely got to see Richard anymore, we were able to speak to him once or twice a week just to catch up. He never seemed to have a dull moment in his very vacarious life. We love you Richard, and will miss you brother and all your wild stories. Rest in peace our most loyal friend, our hearts are breaking on this day and probably many more to come. You will be sorely missed and very well remembered in our hearts. Our love is with you as your journey takes you home. Cheyenne, you are and always will be your Daddy's most precious creation and he loved you more than you will ever know. He was so very proud of you and the young woman you have become. We will always be here for you no matter what for he was always here for us if we needed him, just call us.

Ms. Tucker and Lee, we are so very sorry for your loss. Richard was our brother not by blood, but by choice and we love him very much and will miss him dearly. Prayers for all of us to heal the best we can in time.

“ I am so sorry to hear this. I shared many years with Richard, so I have a lot of memories, none of which will be forgotten. To Ms Phyllis and Lee: There was nothing he wouldn't do for you guys. And to Cheyenne: you were always the bright spot in his life. He was so proud of you. Richard loved you all to the moon and back. I'm so sorry. Please accept my deepest condolences and sympathy. If there is anything I can do, please let me know.
