“ *My sister.... I miss you. It hurts that you left us so soon. Im sorry we didnt get to spend our lives together more.. and we were distant with the miles seperating us and growing up and life taking its toll. You were full of color and so was dad. You and dad were one of my 2 favorite people in life with the freeist spirits, so genuine and loving to be around. I know you're looking down on us me and my sisters and my mama. You and Jackie and dad please watch over us and mawmaw and Xavier and Syriah. Auntie Suzie is holding it down for the kids you already know. Its been hard. But harder for them dad was never the same since you left. I know he is so happy to be with you and Jackie now. I will see you soon. Rest In Paradise my beautiful sister. Forever, Camrea Miller*

“ Share a memory they say.... Well.... It would be ALL those hot dogs and mac and cheese dinners at your house as kids. Screaming children running around and Lo-lo yelling at us. Simba biting me. Ahhhhh not a care in the world. Then we grew up. Had our own kids/families. You did good!!! Those babies are gorgeous and what an angel you get to escort with you to heaven. I can't believe this💔 Rest peacefully love
