

Christina Marie "Christy" Crotty

June 20, 1969 - November 4, 2021

Christina Marie Crotty, age 52, left us on November 4, 2021. She was born on June 20, 1969 in Miami, Florida and was a long-time resident of Tallahassee, Florida. Christy graduated from Lecanto High School in Lecanto, Florida in 1987 and was the first person in her family to graduate from college, receiving her Bachelor of Science in Interdisciplinary Social Sciences in 2009. Christy fell in love with learning and went on to receive a graduate certificate in Public Administration and, unfortunately, did not get the chance to complete a Master of Science in Demography. She served in several departments at Florida State University and passed while working as the Senior Administrative Specialist in Public Administration and Policy. Christy was an avid supporter of women's rights and the LGBTQ+ community, and she fought against racial and cultural disparities. Christy was preceded in death by her father, David Streicher, and her husband, John Crotty. Survivors include her mother and brother, Joy and Roy Streicher of Lecanto and Jacksonville, Florida, and her daughter, Kathryn Crotty of Atlanta, Georgia. Christy was loved by many and will be deeply missed. A Celebration of Life will take place on Monday November 15, 2021, at Alfred B. Maclay Gardens State Park. The gathering will last from 10 am – 2 pm with a brief service at 12 pm. In lieu of flowers, please consider planting a tree in one of our nation's national forests. Susie Mozolic of Bevis Funeral Home is assisting the family with their arrangements. (www.bevisfh.com 850-385-2193)

“ She will always be my friend, someone who I could laugh with and who could take me down a peg or two, because she knew I needed it...not in a way to be hurtful, but to teach me that my way was not the only way or the best way. She made (oops, convinced) me to vote 😊, gave my conscience a lesson about responsibility to my city, my country and my gender. She taught me about acceptance and that its not our place to judge or hinder others, regardless of what they do. She reminded me that there is always another "side" or opinion and as long as I remained loyal and true, sought out what I thought was right, that my own opinion mattered but may not overrule others. She was always a staunch advocate for equality and for education...everyone deserves a chance. All lives mattered...and hers did too. We will never forget. I am so sorry for the family and for Kathryn to have to live without her way too soon. Lisa

“ Christy was an amazing person. I first met her when I was one of her undergraduate professors. Later, Christy became a treasured friend. Her commitment to furthering her education was an inspiration. I will always remember how proud she was of her daughter Kathryn's accomplishments.
