

Christopher Michael Frye

February 7, 1991 - July 20, 2018

Christopher Michael Frye was born February 7, 1991 and passed away Friday, July 20, 2018 in single motor vehicle accident at 4:10 A.M. According to first responders, death was swift and it is believed he did not suffer. He was handsome young man with a big heart and a kind soul, wise beyond his years. He believed the best in people, had an incredible sense of humor, and loved to laugh and joke around. His spirit was as fiery as his red hair and he possessed a passion for what he believed in. He is regarded as a wonderful son, brother, and friend.

In his short life, he went through more than many will in a lifetime. He battled with cancer for two years and was declared a cancer survivor on February 6, 2018, just in time for his 27th birthday. He was an employee of Lowe's and recently completed his A.A. at Tallahassee Community College, and planned on transferring to Florida State University to pursue a bachelor's Degree in computer engineering. He had ambitions of starting his career in Dublin, Ireland upon graduating.

He is survived by his mother Nancy and his stepfather Joe Durrett, his father Michael Frye (Pam Shaw), sisters Erica Frye (Josh Reigles) and Aneliese Frye; stepbrothers Wayne (Jill) and Chris Durrett; grandmother Dolores Gaudard; nephew Sam Reigles; nieces Cheyenne Reigles and Melody McDowell (Frye); and many more aunts, uncles, and cousins.

He is preceded in death by sister Vanessa Frye, cousin Timothy Gaudard, and grandparents Jack Gaudard, and Coy and Maxine Frye.

Please join his family in honoring his life at Bevis Funeral Home of Tallahassee (200 John Knox Road) on Saturday, July 28, 2018. The family will receive visitors at 1:00 p.m. with a memorial service immediately following at 2 p.m.

In lieu of flowers, the family requests donations be made to the Moffitt Cancer Center in his name.

Breanna Green is assisting the family with their arrangements.

To the family of Christopter Frye,

I am so saddend to hear of the loss of Christopher. I worked with him in the Plumbing Dept. at Lowe's. He was a bright & hardworking young man. He would tell me about his computer courses & the projects that he & his friends were working on at school. He was well liked by employees & customers at Lowe's. I was very impressed with the way he presented himself to customers, he was confident & knowledgeable. He will be missed. May God be with you all during this sad time.

“ Dear Michael,
No one knows what it's like to lose a child until you have lost one. When I lost my son, that was absolutely the most painful, numbing grief I have ever felt! My heart broke for you when Dennis told me about Christopher. May God comfort you and bless you and your family as you go through this very, very sad time. Pat and Dennis

“ Best memories with Christopher were spending the summers together growing up. Without those I wouldn't have known him like I did and Im so grateful for that. He went from my annoying little cousin that tried to steal my diary all the time to my friend, confidant, and one of my closest cousins. Rest in peace Christopher ❤️❤️ I can't imagine how happy your are up there right now. Our hearts are breaking for our loss of you. Love you ❤️
