“ Just found out earlier, my heart is torn..! As far back as I can remember you & my little brother are in my memories..& Suzan..! Your nanny's house next door to my mother's - on boulevard Street.! Later they change the name to Martin Luther King Blvd. I lived up on 8th ave 323 west 8th ave..! The memories are countless, learning to ride bikes, eating soup & sandwich at your nanny's - I can remember a faint description of Mr. Miller, and your nanny.. your mom Mrs Pat coming to pick y'all up when she got off work . Riding the neighborhood on our bikes.& getting in trouble with fire crackers - the summer days at leavy pool - a quarter is what it coast to get in - we would swim all day .! The last ones to leave, The ball games. Base ball and how you could crush it if you connected with the ball.. knocking it out of the ball field and far beyond - over the parking lot in front of the pool or over the pool and well into the school grounds Rudiger elementary.! How they wouldn't let you play tackle foot ball at first - only flag - and that didn't excite you much - You focus Moore on base ball. Winning. Pitch -hit-and run -3 years in a row. For the entire league..! Then tackle foot ball - Leon high school - all the write ups in the paper and how you wasn't just good at the sports you place - you was on a level of your own , the accomplishments you acheaved . A walk on with FSU this is something that all but unheard of..! Bobby Bowden praised your skills , I remember your first child and the tragedy you faced later - my heart brakes for Suzan & your mother Mrs Pat - I know there's no words anyone one can say to ease the pain..! Chris you are loved by so many - larger then life..! A giant but gental when it was needed .! I remember the times with Laurel and your kids was so little . To her later how proud you where for them..! There is no one Chris that could even come close to whom you are ,The impact you've had on my life , like any friends that have a lot of history together. There's stupid shit you get up set with each other over , but it's never lasted a day , week maybe and very few of these times.. it's got me chocked up and nothing I can do about it..! You all ways been moore then a friend Chris and there many things that I admire you for..! The Chris I know had many hats - the times you would dress up as Santa Claus and go visit children at hospital - a

person that is like no other..! A Brother from another mother - I love you Chris - I know your family is devistated / you are love by so many Suzan & Pat my heart goes out for y'all..! I know this a awfull thing to face I had saw Chris about a week prior - he came stayed and visited and a few times before that.!

*Chris it's hard to believe - life has went by so fast - I don't know how 60 has got here so fast - and the things that's going on in the world to day..! 10 year 15 years ago - never dreamed the things that take place - it's been 16 years sense Valorie got killed - ii remember you come seeing me- Youve impacted my life so many ways - -ONE IS NEVER PREPARED FOR THIS -

“ *Remember Chris all the way back to atom league at Levy Park. We played for the Chiefs and my dad was the coach. Team was terrible with the exception of Chris. He could jack that ball way out in the outfield. Peace to the family. RIP Chris!!!*
