“ Kathleen, Keith, Chris, Patrick and Mark, I extend my heartfelt condolences about Clark's unexpected passing. I met Clark shortly after Kathleen became my Big Sister through the Big Sister/Big Brother program. Although our path through life together was short, Clark made an everlasting impression on me, and although I lived in Ohio his actions throughout the years brought tears, joy and an appreciation for a man I was so Blessed to meet. Rest in peace Clark and thank you for all you did for me.
