MR

“ I just wanted to say that I am so sorry that we didn't get to go to the services for Mr Clynton. I know that under any other circumstances we would be there.

Larry thought the world of him and though I only met him a few times I thought that he was the sweetest and funniest man ever. He gave me a couple of bottles of his wine and I have cherished them ever since- threatening anyone who dared to suggest opening them- they will stay that way.

Prayers for the whole family from us- Larry and Mary Richter
