

Constance "Connie" Stewart Melton

June 3, 1942 - June 5, 2024

Constance Stewart Melton, affectionately known to all as "Connie", passed away just two days after her 82nd birthday on June 5, 2024 in Tallahassee, Florida. She was born to parents James Griffith Stewart and Hattie Fulton Stewart on June 3, 1942 in Pittsburgh, Pennsylvania. Connie worked for the Mayor's office and served as the assistant to both the City Manager and City Commissioner prior to retiring after decades of service to the city of Tallahassee.

Following the loss of her beloved husband Ronald Melton in 2009 Connie was determined to keep herself busy any way she could, often by doing or caring for others. She fully enmeshed herself into the family of Chrisie and Steve Hughes often by volunteering herself to care for their aging parents or pets which gained her the nickname of "Nanny Granny Connie".

When Connie began to age herself, she found each and every favor returned with loving care and attention by her neighbors turned family. She will be remembered for her enchanting smile, contagious laughter and heart of gold. Even when faced with the loss of her independence or the aches and pains of aging, her smile and laugh remained.

A graveside service will be held at Roselawn Cemetery on Sunday, June 9, 2024 at 10:00 am. In lieu of flowers, memorial contributions to Big Bend

Hospice or a simple good deed for another in honor of Connie and her generous spirit are encouraged. Many thanks to St. Augustine Planation, Big Bend Hospice and Seven Hills Health & Rehabilitation Center for their devotion to Connie's care.

Breanna Green of Bevis Funeral Home (850-385-2193 or www.bevisfh.com) is assisting the family with their arrangements.
