“ Heaven has added another beautiful angel to its band. Those of us who knew Cindy at DMS have been missing her since she retired. She was such a hard worker and always very professional in dealing with DMS agencies and contractors. She always had a kind word for everyone, and she was compassionate and caring at all times. I will remember her smile and her laugh, and her great courage as she battled cancer. My thoughts and prayers go out to Wayne and all the family.

“ I am so sad to hear of the passing of this courageous lady. She was always upbeat no matter what she was going through these last years. It was an honor to know her and to have her as a friend as well as coworker. I pray for comfort for her family. RIP Cindy.

“ Cindy's daughter and I were close friends in middle and high school. I can remember the first time spending the night at their home and being in awe of their piano. I never learned how to play but it was not the chop sticks I learned how to play on that piano I remember the most. It was the Road Kill Cafe menu that I found on that piano that tickles me to this day. I remember Cindy smiling at the joy I found in that little piece of paper and laughing along with me. I borrowed a pen a paper and hand scribed the whole thing down so I could take it home and share the fun with my family. I was raised by a single father and I always looked to Cindy as the mother figure in my life. She was there after my oldest was born. She used her Notary powers to Marry my Sons father and I, AND put her final stamp of approval, both figuratively and literally, on the adoption paperwork for my son's father to adopt him. Cindy never judged a sometimes troubled teen, she simply accepted me for who I was. Thank you Cindy for having room in your heart for myself and my family.
