“ Ten years have gone by, and not a day passes that you are not in my heart and mind. I talk to you everyday, and I hear yo talking back, as though you are right beside me. My love for you goes on today, as deep and powerful as the day that I met you. I knew you were chosen by God and my mama to be my person. I will forever call you my husband, best friend, confidant and partner in mischievous acts! My memories are as real as when we were together.
You are so very missed and loved my dear Danny. Forever I love you, and I know we will be together again for eternity. 💜

“ Cindy and Danielle,
Danny will remain forever in our hearts . No will ever have the infectious smile and goofy since of humor as he did.
As my brother I will always carry memories that only a sister of Danny's could have while some could make you laugh until you rolled and others showed what a big heart he had. Times of roller coaster rides , big brother stuff ,like wanting to beat up a sisters boyfriend ,to teaching me how to wash a car .The list could go on and on but most important I knew he loved me . My heart is sadder that words can say both for myself but most especially for Cindy and Danielle.

Keep looking up because I know he's smiling down .
With all my heart I send love and prayers,

Gwendolyn Willis

“ To my loving Sister Cindy and Danielle.
Danny was such a Loving ,Caring and Giving person. He worked daily with Hospice patients that He Loved and was there for them in their time of death. What a Special person he was to hold off his retirement to be there when a Young boy he was taking care of was going to pass.. he was there for Him and then he retired. He knew the boy and His Family wanted Danny to be with him.

My heart goes out to Cindy, Danielle, Travis, Ashley, Ellison, Josie and Gwen: his family will miss him, We will miss him, Everyone that met/ knew Danny will miss him so much. He was such a loving person.. he adopted a Cat that was blind (Jewel) and a cat that was very timid (Percy) because he knew They needed a Good home to be Loved.

What a Big heart Danny had... he was an Incredible Person. I pray God gives his family Strength and Courage to Make Life the best they can... Just like Danny did and would want for Them to be Happy. You are all in our Hearts, Thoughts and Prayers. May God Bless ALL of you with His Love. With all our Love, John and Susan Poulos
