

David Dawane Carter

Cedar (or CC as your daddy called you), your daddy was a exceptional man that loved you girls so much. He was so proud of you and your accomplishments. He talked of you often during many of our conversations. God broke the mold when he made Dawane. He was and is my very dear friend, whom I would do anything for. Your comments above remind me of him, that is something that he would do. He will always be there with you and always watching over you. I for one am glad that you are old enough to remember many things about your life with your dad and you are right, It will be up to you to keep Sydne on track and keep her memories strong because she is so young. You girls are beautiful, and if you become only half of what your father was, you will be an exceptional person... If you ever need anything, all you have to do is call. I can see him now, sitting up there with Mollie on his lap... he loved that dog...

“ *Met Dawane when he was a teenager I coached him an my son Travis at Rickards High School they both wrestled. We wrestled and showed him moves later that evening Travis told me Dewane said for an ol man your sure were strong. Later in life my Grandson and his little girl Cedar were attached at the hip they went everywhere together. As they got older they went diffrent ways but over the years Ive seen Dewane several times and he was a fine young man. You will be missed by all God Bless Coach Bruce Carmichael & Family*

“ Even though he's gone
his memory will remain forever in my heart.
His smile and face will never fade.
I will think of him as I go on each day.
The good times I will remember
... and the days spent together
will be in my memory bank forever.
So when I start to get down
and really want to cry
i will think of the fun times
and try not to wonder why.
I know he's better now
He's in a better place & free of pain.
So Dawane, I love you
and miss you so much
but I know you're much happier now.
So watch over me and make sure I'm okay
and I will see you again someday.
