“ *Dear Kim,*

*This is Angel Summerour. I am so sad that your father died, and I bet you are too. The day that your father died I got out my most recent bear that I had made at Bears at the Beach, and I remembered you and your father. I hope you aren't sad for long. I know how it feels when someone dies in your family, because when my great grandmother (Hanner's mother) died. I was really sad but I looked at pictures of her and her last cake and I felt a little better. Well see you soon! BYE!!! :) :P*

*Love,  
Angel:)*
