“ You will be missed my friend.
No matter how long it was between our accidental meetings we would talk for hours. You always told me about the kids and how proud you are of each of them.

“ We lost touch later in life, but for the first 35 years it was a great ride. David was the life of any party. He had a very kind heart and absolutely loved his kids. They walked on water in his eyes. David, you were loved and will be missed.
