“ Everyone on David's Tribute Wall has posted, and I will repeat, that he was a fantastic man. He treated my mom with nothing but love and respect and he always let his heart of gold shine bright. He will be forever missed. I'm sad that I will not be able to be at the service since I will be in Germany, but I will be sending my prayers to all of David's loved ones.

“ I have been David's next door neighbor for the last twelve years. Almost every day, David and I would stand at the fence and talk about life. Laughing and joking took up most of our conversations , but we could also talk about the sad or serious thing in life. When David's father passed away. We spent much more time at the fence. I could tell David was lonely even though he was surrounded by his loving family. Well he met and wonderful lady and was moving in with her, but keeping his house. I would miss my friend but still still see him every few days. Ten month ago my father died suddenly and my world was shattered. When David heard this in a moments notice there he was at the fence. It helped me to talk to him because he knew what I was going through. I this world of sinicle people it was comforting to know such a jolly and pleasant person was in it. David I will miss you. Sincerely Matt Bryant

“ Dad...you were a great dad. The best dad one could ask for!! You taught me so much. I will never forget the love you gave to me, and the family values you instilled into me. I will never forget how much you loved us! I will always think about you and remember what you would always tell me. I will miss your cooking, smile, hugs, kisses, advice, encouragement, watching sports, talking on the phone for hours which will be the hardest, and much more. But I will always have memories and you in my heart! I love you always and forever dad. You will be missed by so many, and I'm thankful for how many lives you touched! I love you dad!

“ David came into our lives because of our daughter Judy. He came into our hearts because of his kindness and love for his family and for Judy.

Eventually he came to work with us at Sunstate where all the employees became his friends. We were taught a lesson about love for each other, where kindness and thoughtfulness are sometimes forgotten in the hustle and stress of busy office surroundings. I will miss his cheery good mornings, and his concern for his co-workers. You will always be in our hearts.

Stephanie, Jessica, Austin and Judy, you were the loves of his life.

Soar with the eagles, David. We love you.

“ David and the girls lived down the road from me. I did a lot of growing up in his home. I will miss his smile and love. He was a wonderful person. It's hard to find people these days that value family as much as he did. My prayers are with all of the family for strength. Sending my love to heaven.

“ David without a doubt was a very kind and caring man, very cheerful, had a great love for family, was an encourager, would lend a helping hand without reservation, was always laughing even in the midst of the "storm" and never wanted to put burden on anyone, loved Judy, his girls and grandson immensely, family meant everything to him. David would share daily bible verses with me and others in the office and loved to contemplate their meaning in the midst of the day. Having only known David for a little over a year, my life has been so blessed and he has left a permanently sweet impression on me that will never be forgotten, "I thank my God upon every remembrance of you." Phil. 1:3 You are missed, but the smile you always entered a room with will forever be seen in my minds eye! Lucy

“ John and I came to know and love David through Judy. David loved life, his family and friends and always had a kind word for everyone. At work he laughed and always smiled no matter what was happening in his life. David was a kind soul who would do anything for you and never seemed to meet a stranger. At Sunstate, I will always remember David greeting each of us joyfully every morning he came to work and hearing his laughter. We will miss his indomitable spirit. May God keep you close.

Love and kisses, Pam & John Agliato
