“ *My Uncle Tommy was not just my uncle he was a 2nd dad to me. His wife Shirley is my daddy's sister. He and Aunt Shirley treated me as their own. I lived with them until I got married. I have so many memories that I will always cherish. Back then he worked for Bayliner Boats in Valdosta Ga. well he drank a little back in those days and when he would get off he always stopped and got himself a few beers. Aunt Shirley would ask Tommy how many beers have you had and his answer was always the same. I only had 2 honey. L she always knew it was more like . He was very intelligent. He was amazing at working with wood making us Kitchen Tables and chairs. He could build anything. He was my Boss at City Concrete for 8 yrs. They gave the best advice. He never judged me and would tell me when I was not making the right choice life. But always, always Loved me. Both of them. I miss him so much even now and wish I could just have one more talk with him. But until we meet again Rest in Peace to my Hero.*

*Love you always

“ Dear Simpkins Family;

While reading the online obituary, I observed the death of your love one.

Death is an enemy to mankind and who can understand it? It can and dose have a devastating effect on you and your family as well.

Can you imagine reading a newspaper with the headline; "When Death is Swallowed Up Forever....." What a wonderful time that will be. Revelation 21:4 offers this hope, it states: "And he (God) will wipe out every tear from their eyes and death will be no more, neither will morning nor outcry nor pain anymore. The former things have passed away. What a comforting hope.

If you would be interested in learning even more, I can send you a little tract that is entitle "What Hope for Dead Loved Ones"? If you have any Questions please feel free to contact me at this e-mail address here (b.molina56@yahoo.com).

I offer my sincere condolences, may the God of peace be with you and your family.

*Sincerely Yours,
Brandy Molina*
