“ *To my "BEST FRIEND FOREVER", Deanie Todd. Our song is real today, "The vision truly has vanished, swallowed in reality". I could always see the fruits of the Spirit in your life. Your life was a witness to all that you came in contact with. You truly "let your light so shine before people that they would see the glory of the Lord". Thank you for being my close friend. Thank you for all the times we ate oysters (after we learned to eat them together) There are no words to explain the void in our hearts today . Our family loves you very much and we will miss you.*
