“ My dear niece. I will miss you so very much. Saying goodbye is hard. My memories go way back to the little sandy blonde hair girl with the biggest smile who grew up to become a caring, loving sister, daughter, wife and mother. Our recent times together this year added to the great memories I will forever hold dear to my heart. I'm sad that I won't get to see you anymore to receive one of your big hugs and smile. You were and are a blessing to so many. Now you are with God and our angel watching over us. Until I see you again.....❤️

“ *I was always amazed watching Debby work her magic with the Sunbeams. She was firm and had high expectations for their behavior, yet they were always snuggled in her lap and wrapped around her arms. I considered her a Primary Master and tried to follow her brilliant mix of firmness and tenderness with the kids. Debby embodied love.*
