“ *Warren, Mrs. Lambert, Julie and Jamie and so many of Debbie's family and friends - I cannot imagine what you are going through. Debbie was my long-time friend and while we always said we would see each other more regularly, that was always challenging with work schedules and Debbie's busy retirement life. It does not seem real that she is gone to this horrible disease and we will not be able to assure each other we would "do better" in getting together. Debbie always had a smile and lit up the room when she walked in. She loved her family so much, and Warren - you made her so happy. Please know Debbie's memories will live in my heart and many others as she was such a wonderful person. She has left us far too soon. Love you Deb.*

“ *Debbie was a warm, kind, vivacious woman who had the widest brightest smile in the world. We shared many wonderful afternoons chatting and drinking coffee while our kids played. She loved to laugh and always saw the humorous side of life. I missed her so much when she moved from Longwood to Tallahassee. I*
