

## Deborah Karen White

July 20, 1960 - March 16, 2019

It is with heavy hearts that the family of Deborah Karen White announces her passing on March 16th, 2019 after a yearlong battle with cancer. Debbie will be dearly missed by her daughter Kelly, her brother Nigel, her nephew Brandon, and her niece Jolene, as well as friends and coworkers too numerous to mention.

A celebration of her life will be held on Sunday, March 24th at 2:00 PM at Bevis Funeral Home 200 John Knox Road, Tallahassee, FL with Elder Damon Rich officiating. An hour of visitation for friends and family will be offered before the service from 1:00 PM to 2:00 PM.

Contributions to the March of Dimes in lieu of flowers would be greatly appreciated as it was one of her favorite charities to walk for. Todd Wahlquist with Bevis Funeral Home (850-385-2193, [www.bevisfh.com](http://www.bevisfh.com)) is assisting the family with their arrangements.

“ I just learned of Deb's passing and am so sorry to hear the news. Deb gave me excellent care when I was pregnant with my second daughter. She was always comforting, encouraging and helpful. She helped deliver my daughter too and I couldn't have asked for someone who could provide better care. I am very grateful to have known her.

“ Debs I’m going to miss you. We’ve had some good times at work on ACU and when we went out just to have fun and unwind. I remember when you got your citizenship, I thought Oh Lord, America’s in trouble now. Lol. I love you my friend and you will always be in my heart. You were a very strong woman and I am so proud of all you have accomplished. You had a very loving heart. I’m going to miss our morning hugs and wishing each other a good day. And Kelly know that your mother loved you more than words could ever say. Be at peace my friend. 🥹”

“ From the first time I met Debs on the Phila U campus, I was taken by the twinkle in her eye, her sharp wit and her backbone. I did her site visit and we went out to lunch. She was my student, but I was also hers. Her heart was enormous and her love for her daughter, whom I met on that trek, could be seen from a mile away. The community of midwives and women who knew her are so sad for her leaving us too soon, and so grateful to have ever walked along with her. Hugs to you, Kelly. Liane

“ Oh aunty Deb, I am so sorry to hear of your passing. You were truly amazing. You helped me through many trials in my younger years, and I always saw you as my second mum. I loved how you could be so frank, and have fond memories of your laughter and sitting around your dining room table. And how you hopped into the pool, just after having a lovely dolphin tattoo done, causing it to fade. We all chuckled at that story. I am devastated to hear of your loss, and my heart goes out to Kel during this time and through all her future endeavors. You were a tough gal, and an inspiration to all. Love always. Kathryn.

“ Debbie's patient adored her. She will be missed by so many. On L&D she was always quick with a smile or hug, and kept us laughing with her stories. She had a lovely South African accent, and it would take you a minute to realize she peppered those stories with some pretty colorful language. She will be missed!

*Debbie will be sorely missed by many. We worked together side-by-side several years ago. We had such good conversations and laughs together. She was a strong and smart woman, a skillful clinician, and a patient advocate. Debbie was very devoted to and proud of Kelly. She loved you, Kelly, with all her heart. May your mother rest in peace. Many blessings and prayers for the family.*
