“ Hi, Kathy: I read in the paper a few days ago that Mike's Father died on 10-02-15. I am sorry to hear that. I know that Delbert must have been a wonderful person, from reading the obituary. Your husband must have admired him a lot. It's good to know that your son had a grandfather for all of his youth. You all are good people, and a very good family.

With Love,
David Patik...

“ My sympathy to you. Mac was one of my favorite "guys" at FSU Police Department. I still have a minute timer he gave me for my birthday.
