

Delma O'Neil Carlton

August 26, 1931 - April 6, 2020

Delma O'Neil Carlton (Dell) joined his heavenly Father on April 6, 2020 at Big Bend Hospice House.

Dell was born August 26, 1931 in Thomas County but grew up in Meigs, Georgia where he graduated from high school. In 1950 he joined the Navy and served 4 years with an excellent record. He was aboard the USS Blackwood.

Dell loved sports and baseball was his game. He was a coach for the little league as well as the younger boys' team and loved going to FSU baseball games.

Dell enjoyed attending the "Executive Board Coffee Club" at Chick-fil-A with his friends. He retired from Sears after 33 years where he made many friends and was respected by his coworkers and customers alike. He was an ordained deacon and taught a men's Sunday School class at Forest Heights Baptist Church. He was also a member of Thomasville Road Baptist Church for over 15 years where he participated in the "Love In Action" Sunday School class that always honored their name.

Dell is survived by his loving and devoted wife of 65 years, Nell; sons Richard (Chrisy) and Stacy (Gayle); grandchildren Kelsey, Chase, Ryan, Joey, and

Neil; great-grandchildren Elijah and Gavin, as well as a host of nieces and nephews. He was preceded in death by his parents and siblings Thomas, Betty, and Sara.

Dell is a child of the King and will be with him in Heaven without pain.
“Richard, Stacy, and I will miss you, but we know where you are.” – Nell.

“ We praise God that He allowed our paths to cross. Dell was a special friend for over 20 years. He was a good husband, and father. And he loved the Lord. He will be missed but we know he is in better place.

Always enjoyed his views on Baseball.

“ Sheila and I wish the entire Carlton family God's presence and love during this time. Dell was such a special man, and we are better ourselves because we had the privilege of knowing him all of these years. We can only imagine the great greeting he received when he entered heaven! I'm thinking my mom and dad were near the front of the line to meet him! We love you and are keeping you in our prayers!

“Dell truly lived as reflection of the light of Christ to the world! I will never forget him bringing the drinks and goodies for Stacy's football team, and getting to meet him and talk with him after practice so many days. I enjoyed my many conversations, visiting him later at Sears, playing softball with him, and so many great times at church and family gatherings. I will never forget Nell and Dell coming down to visit in Celebration. Truly, Dell loved generously and was a positive gift to the community. He was a man that walked with God, and now he is at his forever home with his Lord and Savior. One day, I expect to see Dell again and tell him in person how much he influenced me and others.

“ Nell, Stacy and Rick, I'm sad with you but know that Dell is no longer suffering but is rejoicing with Jesus. Dell was a truly a good man. I'm so glad our God made us family friends some 40+ years ago at Forest Heights Baptist Church. We have so many sweet and funny memories to treasure. I remember Dell's love for his Lord, his church, his family, friends, Braves baseball, and of course his FSU baseball. I love remembering his jokes and stories that always made us laugh. We are better people from having him as our friend. Stay strong! Much love.

Dear Nell and Family, I am so sorry for your loss. You were so blessed to have such a wonderful husband and father. Every time I saw him, he had a huge smile on his face. We met when we were young at our jobs at Sears and. I feel I was truly blessed for our paths to have crossed again at TRBC and I got to meet you Nell. What a perfect couple you were, smiling faces with always a funny joke to make everyone else smile. My prayers will be with you during the days to come as you feel so alone. Remember God's comforting grace. I love you Nell, my mentor, my friend. Peggy Parker

“ *Delma and I grew up together in Meigs, Georgia. We were the best of pals. Hardly a day passed that we weren't together at one time or another. We went to school from the first grade to graduation together, and enjoyed all the activities of kids growing up - biking, swimming, baseballyou name it. He was a great guy and I always enjoyed his company. Later, our lives took us miles apart, but I am happy that I got to visit one last time with Nell and him last year in Tallahassee. I will always cherish our friendship and the memories of those young years together. I know his family will miss him greatly and my prayers and sympathy go out to them. Love,
