I miss my dad everyday, and I try to think about how things would've been if he was here now. and how much I have to tell him about my life when I see him in heaven.

“ *I just want to say that i am so sorry to hear about Dennis. He has been apart of my family for going on more then 18 years. He had 2 kids by my sister and I have always though of him as my brother-in-law. Even though we have not spoken in years he was always in our thoughts and he forever will be. No matter what!!!! I want to send my Condolences to his family and to his children for i know what its like to grow up without a father. You will be forever missed Dennis, and May You Rest In Peace. We Love You!!!!*
