“ *It's very hard to bear the loss of someone so dear. And although there is little that one can say or do to take away all your pain, please know that you are in the thoughts and prayers of many. May every loving memory be like the warming rays of sun which help to bring some comfort when the pain and sorrow comes. And may you continue to assure your heart that Shirley is safe in God's memory. Malachi 3:16; Micah 4:4. May God grant you comfort and peace. With heartfelt condolences.*

“ God bless Destiney Marie. Her life impacted many in a positive way - way beyond Florida. She showed amazing strength and gave amazing strength to many. This wasn't how her amazing story on earth was supposed to wind up. But the night sky has gained an intensely bright star. Lots of love, Joe & Michelle Marquez (parents of Justin, 15, who was born with a urea cycle disorder).
