“ *Diane Marie was such a beautiful person that I had an honor to be able to meet and spend time with The love that she gave my daughter was unconditional and true and from the heart the encouragement she provided to my daughter for the four years that she knew her was an honor and a blessing, and I will forever be grateful for the support and encouragement, and I love she gave to my daughter. My prayers and thoughts go out to her family as this is just so unreal and so hard to get wrapped around my brain I pray for strength and hope for her family to get through this heartbreaking event. I am so glad I got the honor and blessing to see her Thanksgiving And hug her and enjoy her presence. She will forever be loved and appreciated and remembered words cannot express the gratitude and appreciation that I have for her for the unconditional love she provided to my daughter and support she provided to me.*

“ We had wonderful neighborhood gatherings--especially our weekly game nights. It was a great time to be raising our families on Casement Avenue. Diane and I shared our love of flowers. Even though we left Casement in the 70's and only visited once in Florida, Facebook has kept us abreast of each other through the years. God's peace be with Craig and her family. Love, Amy Moyer
