SM

Ragan, we all loved your dad. He was such a wonderful person. He stayed with my husband and I for a short while when he moved here. All he ever talked about was his daughter and how much he loved you and wanted the very best for you, to keep you safe and nurture you as you followed your dreams. I know you were the center of his world and that he will always watch over you. Our love and prayers support you through this difficult time.
