“ Joy, my heart is breaking for you and Donald's family at the news of his passing.

I remember how kind he was to me, and I often teased him about his handsomeness... telling him he reminded me of Tom Selleck! He always seemed to get a kick out of that.

I remember his love of you and your beloved labs.

Donald will be fondly remembered in my heart and I will keep you and your pets in my deepest thoughts and, of course, my prayers during this sad time.

I love you Joy.
