“ I am so sorry for your loss. I had the pleasure of getting to know Kelly when I worked with him at Dr. Pumphrey's office. He was a kind man with a gentle soul and will be missed by many. My thoughts and prayers are with his family.

“ Please accept our sincerest sympathy as you struggle to mend your broken hearts. Kelly was such a devoted father, son, brother, grandfather, and friend with a real zest for life. His life well-lived will most certainly bring you many prideful memories as you tuck them safely away as your most precious keepsakes. May your grief be short and your memories long. Much love, Richard, Matil, Amy & Jaclyn
