“ It's taken a couple of weeks for the loss of Donald to finally sink in. I still find it unfathomable that he's actually gone. I have many wonderful memories of our times together, but the thing I remember the most is how much he loved his four boys: Donald Thomas, Jr., Michael Eric, Robert Eugene the 2nd, and Ryan James and most recently his precious grandson, Chance. We will all miss him and I know God will help us in the days, weeks, months, and years to be the family that he loved. Rest in Peace, Donald, your family misses and loves you💔

“ I remember cousin Donald. A really fun guy taught me to ride horses how to build fences and showed me what hard work was (Donald made it look easy tho) Strong as bull quick as water moccasin (man could he jump). Loved going on rides with his Z faaaaast faaaaster. Rest in Piece Donald say hi to your Dad, my Dad and my other family.

“ *My dad was a great man who would bend over backwards to help others. He didn't have a selfish bone in his body.*

I will forever treasure the great memories that we shared whether it was helping with homework, going hunting, camping on the property in GA, taking me to school every day for a couple years straight, etc. We always had fun and he would always go out of the way to make sure we were enjoying ourselves.

He will forever be missed. I've been left with a huge hole in my heart that will never be filled. I think that everyone he knew thought positively of him and not many can say that.

I miss you. I love you. That will never change.

*Love,
Robert*

“ *Our sincere condolences to the family. Donald was a good neighbor to the Lee family for many years. He would maintain the road, plow the garden, fix the deep well pump, and would never take any pay for it. I hope he is resting in peace now in Heaven. Sincerely,
Randall and Agnes Lee*

“ Donald was a man who could do practically anything with his hands. He was the hardest worker I've ever known. He would do anything in his power to help a friend who did not have the knowledge or skill to complete a project himself. He was unselfish with his time and gave a lot of that time in service to his family and friends.

Even though we did not see much of each other the past few years, he was often in my thoughts and prayers. We did have good times when we were together.

I will miss him. He left us too soon. I hope and pray that his family will find comfort and peace that only a loving God can give at a time like this.

“ *You were a great man that thought me many things in the short time I got to know you. You have me the courage to do things I never thought I could. You taught me how to fix electrical issues one of my biggest fears. You taught me so much more than just that. You were so kind and gentle you are the best father in law a girl could ask for and the best Papa Mike and Lizzy could have asked for. You will truly be missed and forever loved. May you RIP Dad we love you!*
