“ Donna was so much more than a co-worker to me, she was a dear friend and I will miss her very much. We shared so many great memories together, from our travel adventures for work to our daily conversations on the phone. We have shared a lot of laughs and I will always remember how her smile with those dimples just lit up the room.

I could always rely on her whenever I needed her. Her advice was always so well thought out and helpful. Her intelligence, wit, charm and a caring heart made her a great friend and co-worker.

I will thank God every day for having given me this wonderful person to be my dear friend for the last 24 years. I know our lives will never be the same without her. She has left us with so many wonderful memories. I will cherish them forever.

“ I was so saddened of the passing of my fellow co-worker, Donna. We worked together over 15 year. She and I would talk about our days working for a local Tallahassee bank. She was an inspiration and a great person. She will truly missed. Craig and I offer or deepest sympathies to the Faircoth family. Latonia Isom

“ Although Donna and I only knew each other as co-workers a few short months, she touched my life and I am thankful to have known her. She had such a gentle and caring nature about her, and pleasant disposition. She often spoke of her family and how much she enjoyed being a grandmother. She was very proud of her children and their accomplishments. Losing someone is always difficult, and words are never adequate in times like these. I hope you find comfort in your memories, and know that she will always be with you.

“ Donna was the most wonderful person I have ever met. She was always so easy going and easy to talk to no matter the subject. I counted on her often for her never ending positive outlook and the way she could always find at least one ray of sunshine to help make problems seem a little less troubling. I will miss her dearly.

“ *Donna and I started working for the court within months of each other. Over the past 24 years our friendship has covered not only working together and work trials and triumphs, but raising our kids, losing parents, and becoming grandparents. We shared a lot of laughs and some tears. I will greatly miss her friendship, her warmth and kindness, her humor, and her wit and practicality. My thoughts and prayers are with you all.*
