WHEN ITS TIME TO SAY GOODBYE

When it's time to say "Good bye" and your life is about to be over and done!

I hope that your heart belongs to Jesus, the Savior and Gods only son!

*A friend of mine had to say "Good bye" to his wife of 41 years!
As she lost her fight against cancer, my friend cried "many tears"!*

*But, my friend finds comfort during his time of "great loss"!
His wife spent "her life" giving praise to Jesus her Savior that died for her upon the Cross!*

*When it's time to say "Good bye" how will "you" close "your" final page?
Will you be praising Jesus to the end or cursing his name in a devilish fit of "RAGE"?*

*We are not promised "tomorrow" in this life that we live!
We don't know how much time to us the Lord above will give!*

*When it's time to say, "Good bye" will holy angels be waiting to take you up?
Or will they be waiting to take you down because you died unsaved and corrupt?*

*There is a day ahead for us "all" when we shall step into eternity!
When "you" take that final step where will your eternal soul be?*

*Will you step into Heaven because you "served" God and Jesus his holy Son?
Or will you step into Hell because you lived in rebellion against God and Christ the anointed one?*

*Time to think long and hard "about that day" when you will say your final "Good bye"!
Because how you live "now" will determine where you will spend eternity after you die!*

*Your life could end "suddenly" with no warning as your driving down the road!
You would have no chance to "Repent", and can a soul get into Heaven carrying Sin's heavy load?*

*My dear friend's wife stepped into eternity with a Band of Angels that took her up and away!
Now, he waits until it's time for him to say "Goodbye" so he can join her*

in Heaven one sweet glorious day!

“ I have fond memories of Donna as a teen. She lived with me and my mom (Lola Oaks) at the time for a few months. Such a sweet and Godly person who was a positive influence on a young man who was learning to make his way through life.

Prayers for the family

“ Donna and I were life on friends. In high school we had many crazy adventures it seemed like me and her against the world . We walked many miles because back then you did have a car to take you . But when we did get use of one that old VW bug it was amazing how many people you could put into it . Ok maybe not comfortable but it got us where we were going .After graduation we were room mates along with her Sister Susan and I will never forget the night of the killer Oppossum attack. Church was always a part of our life serving God was number one .I will never forget her meeting Roger she was so happy .Rest in the arms of the almighty my friend Donna love you always.

“ Donna and I were roommates for a while at the time I met my husband and she met Roger. I smile just thinking about those times. We had such fun. She giggled and grinned so big telling me about the love of her life. She stood strong in faith and loved her family and God more than anything. We'll see you again my friend!
