“ I worked with Donnie for 30 years. I couldn't have made it without his direction. He was not just a coworker. He was a great friend. One I will never forget. Rest In Peace my friend.

“ I met Donnie over 35 years ago while working at the City of Tallahassee's Electric Department and the Purdom Generating Station. Donnie was one of the most talented men I have ever met. He could fix anything and make something out of nothing. I often kidded with him that the TV show MacGyver was based on Donnie's ability to solve a problem.

I regret that I will not be able to attend the services, but I do send my deepest and sincere condolences to the family. To Evelyn and Adriane, my heart goes out to you.

*Kind regards and warmest sympathies,
