“ My neice ask me for this recipe a couple weeks ago and I was posting it to her FB this morning and was thinking about the dear sweet woman Dorothy Addis from BellSouth that had shared this recipe with me and I thought I need to see if she is still around and I found her obituary, she was a very sweet lady and it's nice to have a recipe from someone that you still use after all these years. Rest In Peace Dottie Speaking, my husband called her that because she always answered the phone at work "Dottie Speaking"

“ I am sorry to hear of your loss. The death of a loved one is one of the most devastating experiences a human can face. At times, the loss can seem unbearable. The Bible promises; "God is near to the brokenhearted." It also says: "Throw your burden on God and he will sustain you." (Psalms 34;18 and 55:22) I hope this message will help you cope with the loss of your loved one.
