

## Dorothy Lorraine Driskell Hutchison

January 8, 1945 - June 13, 2023

Dorothy Lorraine Driskell Hutchison was born on January 8, 1945, in Norfolk, VA. To Wylie Driskell and Dorothy Lorraine Hall Driskell, and peacefully passed on June 13, 2023, in Tallahassee, FL.

Dottie worked at FSU for over 30 years, retiring in 1995 as Associate Director of Contracts & Grants. During her life she loved to organize fun loving events for the community. She had a love for life and found joy in all situations. Dottie was a golfer, thanks to Jack's support and instruction.

Dottie was a perfectionist and firmly believed that if things were worth doing, then they should be done right the first time, otherwise you would have to budget time to do them over again. She also believed that humor should be found in all things, no matter how sad the experience might be. She lived life to the fullest with grace and dignity and always kept her sense of humor. May we all live life as she did.

Dottie is preceded in death by Jack, her best friend, husband and lover for over 33 years, as well as her parents, Dot and Wylie Driskell. She is survived by sisters, Barbara Pearce (Jack), Carolyn Jordan (James) and her brother

Tommy Driskell (Lynn), as well as her stepchildren, Jim Hutchison (Peggy), Marian Hutchison, and Bob Hutchison (Vickie). She is also survived by 3 nieces and 1 nephew, as well as 6 step grandchildren.

A celebration of Dottie's life will be held at later date.
