“ We were so saddened today to learn of the death of our dear friend of so many years. As we read the obit. in the Blount Countian, we recalled all of the special times at work and play with Dot. She had such a giving heart and was a dedicated employee during her time at Stafford's...Even though we had not seen her in years, we often recalled the many memories we shared with this wonderful friend..Our prayers and thoughts are with the family...May the peace and comfort of the Holy Spirit be with you all....
