“ *Though she wasn't really my Mema to claim...I sure did. I was blessed to spend time with her as a young child through my teen years. I love Mema. She was always kind and gentle even when Angie and I might have needed a firmer hand. She could get her point across and still be the sweetest ever. She will be missed greatly but her love lives on through her children, grandchildren and great grandchildren.*

My thoughts and prayers are with her wonderful family at this time. She gave love and support to many through the years. My heart especially goes out to my niece, Angie and her husband, Matt. And Lorraine and Henry. Bless you all at this time who were loved by her and loved her in return. God Speed.
