“ *My heartfelt condolences to Doug's family, especially Theresa. I had the privilege of working with both of you at Trinity. At the free standing ER in Palm Harbor, we knew it was going to be a good night if Doug was on. He was such a quiet gentleman. Forever in our hearts, til we meet again!*

*Doug was a very kind and loving young man, and his family and children were his whole world. We both shared our love for our animals. Over the years we remain in contact and I would occasionally just check up on him to see how he was doing, especially since our birthdays were only a day apart. My thoughts and prayers are with the family during this very difficult time.*
