“ I remember one year my mom went out of town for Christmas. Barbara and Mr. Earl ask me if I wanted to spend the night with them, so I could be around family. I went to sleep Christmas Eve and woke up Christmas morning and Santa Claus has brought me an old used 8 track player for my old green Volkswagen. May you RIP Mr. Earl.

“ Earl was a friend the first time i met him. He was kind, funny, and very generous. This valentines day he sent a teddy bear to my daughter and me with our name's on them. It was the first time he had ever sent anything. We were so surprised. That's the kind of loving person he was. He will always have a special place in our hearts. You will be missed. You were a joy to know. Thank you for the wonderful memories.
