*Thanks Ed for always making me feel welcomed every time I stepped foot into your home. Your hospitality was was amazing, your cooking was delicious and your jokes and laughter puts a smile on my face every time I think about them. Your smile is all I can see right now and I pray I'll keep that memory forever. I can still remember the time you went out of your way to get the NASCAR race on tv just so I wouldn't miss it. Thank you. But, I'll have to say the worst thing you ever did to me was buy me those terrible boiled peanuts. The reaction I had to them made you laugh and joke about it for a very long time. Memories are forever. Aunt Dabble.  
Thank you God for putting Ed in my life. It was a pleasure.*

“ Ed was one of my best friends growing up in Kokomo, Indiana. We would run and play from the time we got to his house until dark!! Mainly torturing the smaller sisters! He had such a good heart, and reading all of these precious stories of such a giving, caring man does not surprise me because that was him and how he was raised by such beautiful parents!! I love my Hicks family and my heart breaks for such a loss! I will be praying daily for them and for Sonya and their children!! RIH Ed!!

“ Ed was one of a kind. He helped so many people with his generosity. I have my dream house because Ed made that possible. When my son was sick and needed pain meds after a hard week at Shands post surgery, Ed re-opened the pharmacy to fill his prescription so we didn't have to wait until the next day. He paid for my fathers much needed dental work because my dad could not afford it. The list goes on. Ed's generosity was spread to many. He selfless acts showed that there is still good people in this world. Many blessings to his family during this hard time. He will be greatly missed.

“ My heart is broken and I feel your pain. Ed will be so missed by me and many others. I always looked for his smile and greeting when I went to the pharmacy. He was so helpful when Dan was sick. If I came in with a prescription for Dan, Ed would stop what he was doing and fill it for me immediately. The same was true when I went through all my surgeries. He made everyone feel loved and important.  
I know there will be a big void in your life and I pray that God will help all of you through this. Please know that Ed was loved by all.
