

Elizabeth Alice Panus

February 15, 1960 - July 24, 2023

Elizabeth Alice Panus, 63 years of age, went to be with her Lord and Savior on Monday, July 24, 2023.

Alice was born on February 15, 1960, in Buffalo, New York to the late Edward and Mary Alice Panus. She was the fifth child in a family of seven. Two siblings preceded her in death. Her older sister, Lynn Marie Panus and her older brother, Edward Mark Panus, a proud United States Marine.

“Al,” as her siblings affectionately called her, held a master’s degree in education and taught High School Science/Physics in Buffalo, New York for nearly 30 years. Al loved to read and travel, she loved all cats and dogs, loved to go thrift shopping, and especially loved dark chocolate and popcorn! She was the most giving and thoughtful person to all who knew her. She had a huge and generous heart and gave to many non-profit organizations.

Al leaves behind her sisters, Maureen Panus Rogers, Tallahassee; Mary Ellen Panus Keeler (Dan), Tallahassee; Jennifer Keeler Clairmont (Bill), Cohoes, New York; her brothers, David Keeler, Portland, Maine; Jim Panus (Kelley), Buffalo, New York; and Joe Panus (JoAnne), Buffalo, New York; along with many nieces and nephews whom she dearly loved and spoiled! She also leaves behind her closest and dearest childhood friends, sisters Martha Palcan and Dr. Roma Palcan.

While there will be no service, please consider donating to the American Diabetes Association in Alice's memory as she was diagnosed with Type 1 Diabetes as a young teen.

Alice has truly fought the good fight of faith and has now laid hold onto eternal life. 1 Timothy 6:12

She has run with endurance the race that was set before her, looking unto Jesus, the author and finisher of her faith. Hebrews 12:1-2

And God has wiped away every tear from her eyes; there will be no more death, no sorrow, no crying. There will be no more pain, for the former things have passed away. Revelation 21:1-4

“ *How sweet it has been to have Aunt Alice in my life💕I have many memories of her love when I was a little girl...I remember her decorating my art book on the inside covers with stickers and sweet words of love, when we visited from Florida. She would let me play with her make-up and always send us home with the coolest clothes. When I spent the night with her she was so sweet and didn't make me feel embarrassed because I felt safe sleeping with my Bible, after having someone try to break into our home as a young girl. She loved the Lord and is free in His presence now. I can't wait to see her and hug her again! I'm so sorry she has left us so early...*

“ *Heart broken. Have many wonderful memories being with her while we were geology students at UB. Once set up a planetarium in one of her classrooms for her students. She was so excited for them. Shedding tears that she’s gone.*

“ *I am so heart broken to hear of her passing. She was a beautiful soul in every sense. I took her to a ELP concert in Toronto in the 70’s. She spent many times at stempiens place and was loved. I will miss her.*
