“ I was so saddened to hear of Ellen's passing. She was a special part of my life for many years, and I will always be grateful for the friendship we shared.

*Even though we hadn't seen each other in many years, she always held a special place in my heart. When I think of Ellen, I'm filled with so many good memories. We had some good times together, some meaningful conversations, and she was there for me during some transitional times in my life.*

*I will never forget her and will always cherish the time we had together and carry those memories with me.*
