“ Nina and Austin and all of Jeff family you are in my thoughts and prayers. To short to know you, about year, but not far from me, across street. You was challenged with fire 17 years and I was challenged with amo from, M16 5.56 mm to howitzer 105 mm for 5 years.

Unfortunately I did not fight to good, not exactly, good fight but bad politics and ended up losing my country.

More ... when I saw the US flag flying in your porch, I salute every time as I look , of course my front yard always have 2 (1) USA (2) South Vietnam which is not officially but started seeing flying some states and cities.

Rest peacefully

Airborne always

“ *Dianne and Rick, I am sad to learn of the loss of your precious Jeffrey. I have sweet memories of seeing his adorable little face with those HUGE beautiful eyes when our families both lived in Shannon Forest. He was a cute kid who carried a big smile and abundant talented energy! I pray that sweet memories will soften the pain of this unimaginable loss. With love, Nancy Bryant, and family*

“ *Diane and Rick,*

Our thoughts and prayers are with you both during this difficult time. Never forget, God has a purpose and sometimes we don't understand.

May you be able to cry and cry, until the day comes that you can smile about

your good times and happy memories. I still blow a kiss everytime that

I pass Broadview where Mama spent her last few months.

Sometimes

I still get tears and sometimes I can smile, but that's OK. It only means

That You deeply loved.
