Eugene James Wiltgen was born on October 10, 1947, in Wisconsin and moved to Florida in 1988. "Pop", as he was known by those who knew and loved him held several professions during his lifetime, including dairy work and auto repair. He was a hard-working and dedicated man. His greatest source of pride and happiness came from his family. Pop married the love of his life, Kathleen "Kitty" Kosinski, in 1969. Together they raised two beautiful daughters. After short illness, Pop was taken home to heaven on February 13, 2011 at the age of 63. He was preceded in death by his parents Martin and Frances, his wife, Kathleen, and his daughter, Tiffanie. Pop is survived by his daughter, Jamie, son-in-law James, a grandson, Coty and his Fiancée Kiya, a granddaughter, Makayla, nieces Kim, Chris, and Lisa. Pop will always be remembered, forever loved, and respected for the deep adoration he had for his family and his never ending devotion to them. Pop was a loving man, a gracious man, a great man. A private family service will be held at a later date.
