“ *Elsie Alcorn was one of the kindest most compassionate people that I have ever met. She was a blessing to all of those around her and anyone who was fortunate enough to meet her. She genuinely cared for all people and her empathy and understanding for others is a trait to be admired and emulated.*

*I am honored to have had the chance to meet her and her wonderful family. Their friendship is precious to me and I will always remember them with great fondness. I send my condolences for the loss of our dear friend and family member.*

*May God Bless and Smile upon all of you, who are reading this, and God bless you Elsie as you go to be with our Lord.*
