They raised two children, Roger Jr. and Christie Anne. The family attended Christ Lutheran Church. Frieda graduated from Franklin University with a BA in Business Administration in 1979. In later life she remarried, to Jack H. Hutchison and moved to Tallahassee, Florida. After working as a realtor for a while she worked for the State of Florida Department of Health and Rehabilitative Services WIC program, retiring in 1995. During her time in Tallahassee, she was a member of Grace Lutheran Church and spent 25 years as a volunteer for the Capital Regional hospital, retiring in 2020. other organizations.

“ I was fortunate enough to be in a knitting group with Frieda and Christie. I was amazed at how active Frieda was and how much she did—a life well lived. She used to tell us about all the little hats she made for the newborns. I hope those parents knew how special those hats were.
