“ I was just thinking of you, Fran... missing you. I'm so thankful for the friendship we had and the amazing example you were. I know you're with your mama and daddy and that makes my heart so happy for you. Mom asked about you the other day and I told her you were the best you've ever been. I love you, Fran.

“ I worked with Fran 30 + years ago in Public Affairs with our church. I also worked with her when she was the CE coordinator for TMH. I was the Narcan Rep and I would do in services for her EMT's. Narcan ia now on every service associated with EMS. She is a big part of why. Very bright happy and hard working. She certainly went to the highest level of heaven. Lee Vass DuPont retiree.

“ I first met Fran in 2006 when I opened the door for my business. She became a loyal and steadfast friend soon after. She was always enormously proud of the EMS department and the people she worked with. The love for EMS was only eclipsed by her love for her church. Thank you Fran for the loyalty and love you showed our community. Always in our hearts.

“ Fran was the definition of loyalty and integrity. She loved her EMS family and went above and beyond to make sure every resource available was secured for her county (she was always writing grants). For her church family, she never tired in her service. If anyone has her cornbread salad recipe, please share. She brought this to all church get togethers and if you had the pleasure and delight of tasting it, you know what I mean. My sister in faith, you will be missed until we meet again.
